

Email Memo with Receipt

To submit receipts with your email memo expense, simply attach the images to the message. For example, you can use your mobile phone to take a photo of a receipt, then attach it to an email sent to <u>receipt@chromefile.com</u> from the phone.

The images will appear with the expense in the Receipt Gallery. Each image will appear as its own item, complete with the corresponding information about the expense.

- 1. Take a photo of the receipt with your mobile device.
- 2. Draft a new email message containing the following information.

To: receipt@chromefile.com

From: (use the email that is registered with Chrome River. To view which email address you have registered with Chrome River, click on your name in the upper right hand corner, then click on Settings. Your registered email is listed as the Primary Email under Personal Settings.)
