

## Warning

A compliance warning indicates that additional information is required before the expense can be submitted for approval and processing. Compliance warnings may be encountered when saving a line item or when submitting an entire expense report for approval. The number of the business rule that triggered the warning or violation is listed at the top of the message.

Respond by either modifying the data (if there is an error) or replying to the warning.

- If a reply is required, tap **"Add response"** in the response area under the message to activate a text box where you can enter your reply.
  - Alternatively, you may tap EDIT on the line-item preview pane and then enter a reply.
- Tap **Post** to update and close the compliance warning message.

 **Justification Required - First Class Air** #208

Please provide justification to support the business need for First class air. This will route for Supplemental Approval.
